ALLAMUCHY-GREEN FIRST AID SQUAD BLOOD DRIVE

The Allamuchy-Green First Aid Squad's first blood drive in January was a very successful event! We collected 56 units (38 whole blood and 18 ALYX products). Those units went on to help save over 165 lives. None of this would have been possible without a successful blood drive. We hope you can attend our upcoming drive. It is preferred that you schedule a time slot by clicking on the link below, however, walk-ins will be accepted.

SUNDAY, JUNE 12TH - 9AM - 3PM

Beginning with teaching solid fundamentals and basic athletic skills which are essential for success at any level to more advanced techniques and fine points to success. Each session will consist of a mixture of technique illustration and drilling, live wrestling, and specialized training activities, which are designed to increase strength, speed, endurance and stamina; all of which are an important in wrestling. The live wrestling portions of each session will give our staff a better opportunity to individually examine, and evaluate each student's performance in a competitive situation. Overall, these intense workout sessions will be very similar to Blair Academy's regular high school training sessions.
