## MESSAGE FROM THE CSA

Dear Frelinghuysen Families,

As the first full month of school comes to a close, I'm excited to tell you that we're off to a great start at FTS! We have been acknowledging students making great choices each day and we continue to be impressed with their responsible acts. Students in different grade levels have already been earning incentives in their classrooms by increasing their literacy skills and by showing great character!

The month of October is filled with many different weeks to acknowledge and FTS will be taking these opportunities to educate our children in the many different themes. These include the Week of Respect, Fire Prevention Week, Violence Awareness Week, National Unity Day, and Red Ribbon Week. Each of these weeks will contain age-appropriate lessons and activities both in the classroom and school wide, covering topics such as character education, fire prevention, anti-bullying, inclusiveness and drug prevention. For a complete list of schoolwide activities, please see the calendar on our website!

I would like to take a moment to say thank you to our school community for being so supportive of our security measures. We have been working collaboratively with our partners in the New Jersey State Police to ensure that our building is as safe as it can possibly be. As new and better practices become available, we will continue our partnership with the police and our school community to implement the best safety measures for our staff and students.

We wish you all a very happy fall season and we are looking forward to our many great activities planned in October!

Stephanie Bonaparte

Hello Moms and Dads!

My name is Susan Chughatta. My daughter Naia is in the Kindergarten class this year. She wanted to follow in her older sister's footsteps, and become a Girl Scout. So...I asked around and found Taylor Casey, whose daughter also wanted to be a Girl Scout. Viola! A Troop was born!!

Although we do not yet know our Troop number, Taylor and I have scheduled meetings for this new Troop. Our first meeting was September 26. We learned the "Secret Hand Signal" and the Girl Scout Promise. We also worked on our first Daisy petal! We colored and made bracelets too! The girls had so much fun...but, they were missing their friends.

Our next meeting will be Wednesday, October 3 from 3-4:30pm. We meet right at the school in the coveted Art Room. Parents, if your daughter is interested, join us next week! We would love to have your child as part of our Troop!
