Message from the Board of Education,

Hiring a Chief School Administrator is one of the most important responsibilities of a school board. In order to gain the perspective of all stakeholders, the Frelinghuysen Township School Board of Education has asked the NJ School Boards Association to conduct an anonymous Staff and Community Input survey.

The board would like to receive your input on the desired qualities, experiences, and skills that you would like our next district leader to possess.

Your input is invaluable to us. We will consider all results, when determining who to interview, what questions to ask, and who will ultimately be appointed.

We are asking that all surveys be completed by **Friday, April 21st**.

Below is the link to complete the survey:

This survey has been emailed to all parents/guardians, as well as to all staff members.

On behalf of the Board of Education, thank you for taking the time to respond to our survey. We look forward to reviewing all of your comments.

Sincerely,

*Kimberly F. Neuffer*
