Dear Frelinghuysen Township School Parents and Community,

The Frelinghuysen Board of Education is announcing that it is commencing a search for its next Chief School Administrator. The Board of Education is grateful to Stephanie Bonaparte for her dedicated service to the district. She has led the district with integrity for the past six years. Stephanie will continue to serve the district through July 30th, 2023.

As board members, one of our most important responsibilities is the hiring of the Chief School Administrator/Superintendent. The New Jersey School Boards Association will be assisting our Board of Education with conducting a thorough and exhaustive search for the next Chief School Administrator. The Board of Education is committed to a search process that is transparent and collaborative with input from all district stakeholders.

In the next few weeks, we will be seeking your input regarding our next district leader through community outreach and an online survey.

Thank you always for your support.

Kimberly F. Neuffer

Board of Education, President
