

November Lunch Pick up Days

Lunch delivery will continue as normal during dismissal when students are in school. However, with the scheduled days off in the month of November, there will be opportunities for the cohorts to pick up fresh lunches for the days following a long weekend. Please check the dates and times below for pick up. You can simply drive up to the front of the school, give your name to the cafeteria manager and she will bring out the lunches for you.

Help us minimize waste!

If you would like to opt out of the lunch pick up on your specific day, please email amabile@frelinghuysenschool.org with your child's name and the dates that you will NOT be picking up lunches. This means your child will remain on the free lunch list however; extra lunches will not be prepared on the pickup days. Thank you!
