Welcome to Frelinghuysen Township School!

Dear Frelinghuysen Kindergarten families,

We are excited to have you join our school community in our outstanding Kindergarten program! Please read through this letter for more information regarding our great program and tentative dates for Kindergarten events. To register for school, you will need to bring in the completed registration packet, original documentation (which we will make copies of) and your child's health information. If you are unable to use the packet posted here, copies are available in the main office.

Frelinghuysen Township School is a pre-K through Grade 6 public school district. The students of FTS are supported by a dedicated teaching staff, committed Board of Education, caring community and active Parent-Teacher Organization.

Guided by the mission statement to provide all students with a superior individualized education, each student is offered a well-rounded curriculum including world language, physical education, music, art, technology and a comprehensive STEAM program. This is balanced by language arts, math, science and social studies programs such as Go Math and Reader's and Writer's Workshop, which guide students to achieve the New Jersey Student Learning Standards.

Technology integration continues to be a focus for the district. Students in Kindergarten and 1st grade learn skills through the use of iPads while our 2nd-6th graders each have a chromebook. Digital platforms such as Sumdog, Reflex Math, Raz-kids, Kahoot and Arcademics are used to enhance the learning in the classroom.

Further enhancing the instructional program, all students are provided with school-wide enrichment opportunities such as the Week of Respect, Veteran's Day ceremonies, service learning projects, Thanksgiving celebrations, Winter Week, the Great Kindness Challenge, the 100th day of school celebration, Read Across America, Field Day and other learning opportunities to provide for a well-rounded school environment.

Additionally, all students are provided with opportunities for social and emotional growth through our comprehensive character education program. Certified as a School of Kindness, our students are encouraged daily to practice what it means to make good decisions and promote acts of kindness.

Kindergarten is a special year for students and we seek to provide the very best foundational skills for children as they begin their school years. Our program is supported by a comprehensive, multi-sensory language arts program, a hands-on approach in math and engaging opportunities for students to develop socially and emotionally while learning through play.

Registration is the only mandatory event. If you have an unavoidable conflict or any other questions, please contact Ms. Allen (allen@frelinghuysenschool.org).

Please mark your calendars with the following dates for Kindergarten.

Kindergarten Registration

January and February

8:00 AM to 4:00 PM

*Please call the school or email deuel@frelinghuysenschool.org to schedule a time to complete Kindergarten registration before February 28, 2020. During your appointment, bring in a completed registration packet with the necessary original documentation. Registration packets are available in the office, if you are unable to use the digital copy.

Kindergarten Orientation

August 27, 2020

9:00 AM to 10:30 AM

*This will be an event designed to give your child a "first look" at their Kindergarten classroom right before school begins! Parents will get an opportunity to meet with school staff to hear more about our great programs while the children get to spend some time in their classroom and go on a bus ride so they feel confident and comfortable for the first day of school!

Our community of learners at FTS, in partnership with our parents, continually seeks opportunities to provide a superior individualized education that focuses on the best instructional practices and the social and emotional development of every child. We look forward to welcoming you and your child to our school!

Sincerely,

Stephanie Bonaparte
