Mila Mrocka

Megan Waithe

Daniel Partika

Matthew Corsi

Sedeem Abbasi

Eric Lucy

Tommy Naomi

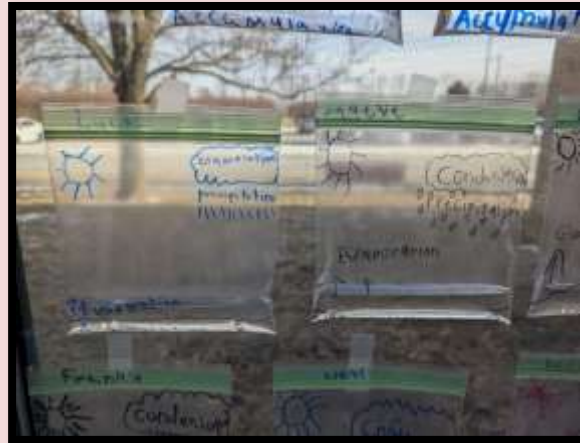

Congratulation to Mrs. Thompson who conducted!

First grade students created their own water cycle bags. They learned about precipitation, evaporation, condensation, and accumulation! We can't wait to observe these bags over the next few days!

### HEALTHY KIDS PROGRAMS @ FRELINGHUYSEN TOWNSHIP

We're part of the "Village" that helps the Frelinghuysen Township community's kids thrive, grow, and thrive. Along the way, we're all about making a positive impact and a lasting difference—not just for your kids, but for your family, the amazing school staff, and the whole community.

#### BEFORE & AFTER SCHOOL PROGRAM

Ages 5 - 12  
Drop off as early as 7:30 AM  
Pick up as late as 5:30 PM

Our Before and After School Program is designed to support our vibrant community by providing much-needed childcare services. In response to the growing demand, our program offers a safe, nurturing environment where children can learn, play, and thrive beyond school hours.

#### BALANCING PROFITS & PURPOSE

At Healthy Kids, we are passionate about doing what's right for our children, our families, our employees, and our communities. We support families from all different backgrounds and abilities, and our programming is designed to make a lasting impact on each of our kids' lives. We are representing childcare positions for our employees with benefits and career paths. We partner with school districts in a variety of ways to meet the needs of their families and build communities, not just profits.

#### TUITION ASSISTANCE

We are pleased to announce that we accept tuition assistance. We can help with the cost of tuition for our children. Learn more in the back!
