## Reminders & Tips

Reminder from the School Nurse

As Covid-19 numbers continue to rise, please check back often for updates and information.

As per the New Jersey Department of Health, parents should not send students to school when sick. The school has a procedure in place to isolate students with overt symptoms of any infectious disease that develop during the school day. For school settings, NJDOH recommends that students and staff with the following symptoms be promptly isolated from others and excluded from school:

- At least two of the following symptoms: fever (measure or subjective), chills, rigors (shivers), myalgia (muscle aches), headache, sore throat, nausea or vomiting, diarrhea, fatigue, congestion or runny nose; OR
- At least one of the following symptoms: cough, shortness of breath, difficulty breathing, new olfactory disorder, new taste disorder.

Please call Mrs. Toronzi with any questions regarding symptoms. Medical documentation with a diagnosis will be required for re-entry to school.
