1. Stay in! Order take-out, hop in your PJ's and get comfortable. Bring out the old board games and have fun!
2. Take a class together! It could be a fitness class or a cooking class - spend time learning something new.
3. Treat yourself! It's been a long winter, treat yourself to a relaxing massage and feel refreshed.
4. Get the kids involved: Make valentines for a local nursing home or bake a dessert for a nearby women's shelter.
