## Reminders & Tips

### Reminder from the CDC

The COVID-19 pandemic has been stressful and isolating for many people. Gatherings during the upcoming holidays can be an opportunity to reconnect with family and friends. This holiday season, consider how your holiday plans can be modified to reduce the spread of COVID-19 to keep your friends, families, and communities healthy and safe.

CDC offers the considerations to slow the spread of COVID-19 during small gatherings. These considerations are meant to supplement—**not replace**—any state, local, territorial, or tribal health and safety laws, rules, and regulations with which all gatherings must comply.
