The key to a thriving community is community involvement. There is no better way to get involved and make a difference than signing up for one of our committees or boards. The Recreation Committee is looking for new members. The committee assumes a major role in developing a sense of community and enhancing the resident's quality of life by providing recreational and social programs to preschool age children, youth, teen, adult, family, and senior populations and by organizing, sponsoring and hosting special events. Please consider filling out an application found on our website:
