School Updates and Reminders

Introducing the FRIDAY FOLDER!

To help alleviate the sharing of papers during the pandemic, we will be posting messages, updates, letters, etc. on our website each Friday under our “Friday Folder.” Please check every Friday for school news!

Transitioning to In-person or Virtual Learning

To transition back to in-person learning, students will be able to return to school beginning October 1, 2020, with 10 school days’ notice required. The form to return to in-person instruction is posted under “Information for the 2020-2021 School Year” section on our website. A form is also available for students wishing to transition from in-person to all virtual and only a 24 hour notice is required. These forms ARE NOT necessary for students who are quarantined for any reason. As long as students are well enough to attend virtual classes, any student who is quarantined will transition to virtual learning for the duration of the quarantine period.

Birthday/Shared Snacks

During the Covid 19 outbreak, we are limiting shared items in the classroom. Teachers are happy to recognize your child’s special day and parents/guardians are welcome to send in a special snack for their child however, we ask that there be no shared snacks at this time for birthdays or holidays until further notice.

Virtual Learning Tips

Discuss meeting etiquette with your child and remind them that virtual school is still school. Students should continue to practice kindness and choose appropriate behavior.

If your child is struggling with some aspect of virtual learning, please reach out to your child’s teacher and share your experiences! Adjustments are continually being made to help improve the learning environment and staff is happy to help with any issues you encounter.

Please join us for Virtual Back to School Night on Wednesday, September 16th at 6:30PM.
