Transitioning to In-person or Virtual Learning

To transition back to in-person learning, students will be able to return to school with 10 school days' notice required. The form to return to in-person instruction is posted under "Information for the 2020-2021 School Year" section on our website. A form is also available for students wishing to transition from in-person to all virtual and only a 24 hour notice is required. These forms ARE NOT necessary for students who are quarantined for any reason. As long as students are well enough to attend virtual classes, any student who is quarantined will transition to virtual learning for the duration of the quarantine period.

Virtual Learning Tip of the Week

Students can interact with their classes in a number of ways, including raising their real or virtual hands, participating with a share and show activity and sharing when called on by the teacher. Class participation is encouraged!

NORTH WARREN REGIONAL HIGH SCHOOL

A MESSAGE FROM NORTH WARREN REGIONAL HIGH SCHOOL
North Warren High School's first home football game is Saturday, October 3rd. Due to the executive order on attendance at outside events, spectators will be limited to families of the players and North Warren students only. We often have good attendance at our games from the elementary school students but we, unfortunately, can't accommodate that this year. Elementary students whose siblings play are welcome with their families.
